

CERTIFICATE

This is to certify that

Lismalini

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia

Ir. Halimurrahman, MT

Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space

山本 洋

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)
Kyoto University

CERTIFICATE

This is to certify that

Irza Utami

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia

Ir. Halimurrahman, MT

Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space

山本 博

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)
Kyoto University

CERTIFICATE

This is to certify that

Velli Shinta

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia

Ir. Halimurrahman, MT

Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)

Kyoto University

山本 亨

CERTIFICATE

This is to certify that

Sri Mai Dewi

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia

Ir. Halimurrahman, MT

Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space

山本 洋子

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)
Kyoto University

CERTIFICATE

This is to certify that

Krisna Suryanti

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

**on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia**

Ir. Halimurrahman, MT

**Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space**

山本 洋行

Professor Mamoru Yamamoto

**Research Institute for Sustainable Humanosphere (RISH)
Kyoto University**

CERTIFICATE

This is to certify that

Herizon Primadona

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia

Ir. Halimurrahman, MT

Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space

山本 洋

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)
Kyoto University

CERTIFICATE

This is to certify that

Novia Anggraini

has participated as
Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

**on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia**

Ir. Halimurrahman, MT

**Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space**

山本 洋行

Professor Mamoru Yamamoto

**Research Institute for Sustainable Humanosphere (RISH)
Kyoto University**

CERTIFICATE

This is to certify that

Husnul Ckhotimah

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

**on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia**

Ir. Halimurrahman, MT

**Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space**

山本 博行

Professor Mamoru Yamamoto

**Research Institute for Sustainable Humanosphere (RISH)
Kyoto University**

CERTIFICATE

This is to certify that

Anna Tiurma

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia

Ir. Halimurrahman, MT

Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space

山本 洋

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)
Kyoto University

CERTIFICATE

This is to certify that

Luthfia Hafizhah

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia

Ir. Halimurrahman, MT

Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space

山本 洋行

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)
Kyoto University

CERTIFICATE

This is to certify that

Yunisa Oktaviani

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia

Ir. Halimurrahman, MT

Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)
Kyoto University

CERTIFICATE

This is to certify that

Ella Fitria Sukma Nova

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

**on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia**

Ir. Halimurrahman, MT

Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space

山本 博

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)
Kyoto University

CERTIFICATE

This is to certify that

Dinda Maulani Adfy
has participated as
Participant

in **International School on Equatorial Atmosphere**
398th Symposium on Sustainable Humanosphere

on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia

Ir. Halimurrahman, MT

Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space

山本 洋

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)
Kyoto University

CERTIFICATE

This is to certify that

Bunga Aprilia

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia

Ir. Halimurrahman, MT

Center for Atmospheric Science and Technology

Indonesian National Institute of Aeronautics and Space

山下 健

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)

Kyoto University

CERTIFICATE

This is to certify that

Ravidho Ramadhan

has participated as

Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia

Ir. Hahmurrahman, MT

Center for Atmospheric Science and Technology

Indonesian National Institute of Aeronautics and Space

山本 雅元

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)

Kyoto University

CERTIFICATE

This is to certify that

Dr. techn. Marzuki
has participated as
Participant

in International School on Equatorial Atmosphere

398th Symposium on Sustainable Humanosphere

on March 18th - 22nd, 2019 at Center for Atmospheric Science and Technology LAPAN
Bandung, Indonesia

Ir. Hafimurrahman, MT

Center for Atmospheric Science and Technology
Indonesian National Institute of Aeronautics and Space

山本 博行

Professor Mamoru Yamamoto

Research Institute for Sustainable Humanosphere (RISH)
Kyoto University
